

How to pay Carbon Offset with the SAS Carbon Offset Calculator:

1. Simply fill out the form with your departing and arrival airport and include the number of one-way flights. Press “calculate” and then “Buy CO2 Offset”. You will then be directed to the Carbon Neutral company website.
2. Press “Buy It” to confirm that you would like to pay compensation for the calculated carbon dioxide emission on your flight.
3. Fill in your name and date that you would like to have displayed on your certificate
4. Press “Go to checkout” to confirm your purchase of carbon-dioxide compensation
5. Fill out the form with your personal details
6. Choose how you want your certificate to be delivered by Email or Mail
7. Choose your payment method and fill in the event code in the promotional code field below. Then press “update” to verify the event code and press next.
8. Fill out the form with your credit card details and press “Send Payment”

Now you have successfully paid for the dioxide emission on your flight. You will shortly receive a certificate from The Carbon Neutral Company either by E-mail or mail, depending on your choice of delivery.

Thank you for compensating your flights to this event!

Your Sincerely,

Scandinavian Airlines
